### Business Arising from Previous Meeting:

#### Reports:

##### 1. *Planning*

Carr Street cleaning and setup continuing, still looking for equipment as per last meeting. Les has spoken to Clem about the cement mixer, will follow up.  
The blower turns out not to be what to be what we need, an ordinary vacuum cleaner works quite well.

##### 2. *Financial*

Appointment of auditor – correspondence received.

##### 3. *Operational*

Nothing to report

##### 4. *Sales*

Nothing to report
