Sausage sizzle was quite successful; we had lots of visitors over the 2 or so hours we were there (estimated around 30 unique visitors). We now have 2 new members plus some more people are considering joining.

Thanks to Jamie Ladner for her help on the day, and to all who contributed food: Tina for the sausages, Jan for the sauce, Natalie for the onions, Lisa for margarine and Trish for bread.

Thanks also to members who came by and talked to people about the Co-op!
