

Woomelang and District Development Association

Fuel

Nil to report; the process in council is ongoing.

Driveway alteration requirement for fuel/carpark access:

Grant asked Helen and Shane to help with council assistance to have this change made. Helen noted that James McGee, who is the relevant person, is currently away; she will approach him on his return.

The VicRoads requirement is that the driveway be 20m away from the centre of the intersection, which is around 8m closer to the railway line than the current driveway entrance.

Name for the shop block complex:

Four names offered for voting: Combine Corner, The Junction, Carran Mell, Boweb Corner. Voting results as follows: Combine Corner 8 votes, The Junction 4 votes, Carran Mell 0 votes, Boweb Corner 4 votes. Combine Corner declared the winner. Name to be announced at the Opening.

Working bees:

1: 8am Wednesday at the Shelter, to help with concreting. Call sent out by SMS today.

2: Sunday 2 July (Trish to send out SMS Wednesday):

- a) 2pm at the Bon Bon Café in Hopetoun to collect planters, Iron Art, Freezer &c for transport to Woomelang. Around 6-8 people needed. Contact Grant or Jason.
- b) 9am at the Store to clear out the back and make ready for the stuff coming from Hopetoun. Contact Les.

Mon's wish list: a drinks fridge not owned by a supplier so she can fill it with what's needed rather than what the supplier wants.

Historical Society:

Gwenyth report re artwork project for Shearing Shed: met with one of the Juddy Roller artists from the Silo Art project. Lots of suggestions made re artwork; now need to arrange for repairs and improvements prior to preparation of the surfaces.

VicTrack work seems to have stopped and followup very difficult; Trish to contact VicTrack and chase up what is happening now.

Meeting Closed at: 18:50

Next Meeting: 25th July 2017, 18:00.
