General Business:

1. Shop Report;
 - Monica is going well in the shop. She is now the Licensee of the Australia Post franchise.
 - The WDDA chicken cooker has died for the final time and Monica will replace this at her expense.
 - Review the rental amount – discussion with Monica. GK to follow up.
2. Valuation of the vacant block for future rates, now the block has no buildings– MF to follow up.
3. Fuel;
 - Concern over volunteer system and ppl taking advantage of the availability of the key from the shop.
 - Diesel was purchased for the FF weekend which was not used. Want to sell this in bulk at cost if possible – Jason Collins to collect.
 - Containerised fuel options Jason to contact Riordan's; Grant to contact MoGas; Travis to approach Sunraysia Petroleum and Mortimer Petroleum; to report back at next meeting – 24th November.
4. Landscaping of the vacant block;
 - Investigating shade structure for the west wall. Shade structure to be erected. A motion was moved to get shade established ASAP. Options for shade sails and steel were discussed. Available members to meet on block Friday October 9th at 5pm old shop site to discuss shade structure and optimal sizes.
5. Cronomby Tanks;
 - toilet is almost going.
 - 10meg water allocation is going in now. Many thanks to Ray Campling for representing for us and securing the allocation for this summer.

Meeting closed 9pm
